

**MEMORANDUM OF AGREEMENT
AMONG
UNITED STATES ARMY CORPS OF ENGINEERS,
TULSA COUNTY,
AND THE OKLAHOMA STATE HISTORIC PRESERVATION OFFICE,
REGARDING A
BRIDGE REPLACEMENT (NBI.00122) ON E. 201ST STREET OVER SNAKE
CREEK**

WHEREAS, the Tulsa County Engineer, plans to replace the existing Bridge (NBI No. 00122) carrying East 201st Street over Snake Creek, in Tulsa County, Oklahoma, by constructing a new bridge on existing alignment for State Job J/P 30132(04) (SWT-2019-00384); and

WHEREAS, the Project requires compliance with Section 404 of the Clean Water Act, specifically a Nationwide Permit, for which the Tulsa County Engineer has submitted a Department of the Army Permit Application to the U.S. Army Corps of Engineers (USACE) Tulsa District for review (SWT-2019-00384); and

WHEREAS, the USACE review and verification of the Nationwide Permit for a project that may affect a Historic Property makes the project an undertaking subject to compliance with Section 106 of the National Historic Preservation Act (NHPA, 54 U.S.C. § 300101 et seq), using the USACE current procedures for addressing the requirements of Section 106 and its implementing regulations (36 CFR Part 800) in 33 CFR Part 325 Appendix C, as well as USACE Interim Section 106 Guidance Memos of 2005 and 2007; and

WHEREAS, USACE has consulted with the Alabama-Quassarte Tribal Town, Cherokee Nation, Delaware Tribe of Indians, Kialegee Tribal Town, Muscogee (Creek) Nation, Osage Nation, Seminole Nation, Thlopthlocco Tribal Town, United Keetoowah Band of Cherokee Indians, and Wichita and Affiliated Tribes.

WHEREAS, USACE has consulted with the Oklahoma State Historic Preservation Officer (SHPO) and has determined that the Project will have an adverse effect to the Bridge (NBI No. 00122) which is a Pratt through-truss bridge constructed in 1909 over Snake Creek (NBI: 00122; ODOT Structure # 72E0790N4000007), a historic property determined eligible for inclusion in the National Register of Historic Places; and

WHEREAS, in accordance with 33 CFR Part 325(7)(d) Appendix C, the USACE has notified the Advisory Council on Historic Preservation (ACHP) of its adverse effect determination with specified documentation and the ACHP has chosen not to participate in the consultation; and

NOW, THEREFORE, USACE, Tulsa County Engineer, and the Oklahoma SHPO, agree that the undertaking shall be implemented in accordance with the following stipulations in order to take into account the effect of the undertaking on historic properties.

USACE, TULSA COUNTY, SHPO MOA
E. 201st STREET BRIDGE OVER SNAKE CREEK, SWT-2019-00384

STIPULATIONS

USACE will ensure that the following measures are carried out. Measures will be met within the timeframes presented for each stipulation.

- I. **Documentation.** Prior to the construction of the new bridge and removal of the existing bridge, Tulsa County will have the existing bridge recorded by a person(s) who meets the Secretary of the Interior's Standards and Guidelines Professional Qualifications in Architectural History, Architecture, Historic Architecture, or History. The bridge will be recorded at the equivalent of Level II documentation as specified by the Historic American Engineering Record (HAER).
 - A. High Quality, digital photographs (preferred) or 35 mm black and white photographs, of the bridge documenting its present appearance and major structural or decorative details, together with all negatives on archival gold CD as digital TIFF files that meet or exceed the minimum requirement for pixel depth. Photographs are to be submitted by Tulsa County and approved by SHPO as meeting the conditions outlined above before any work takes place that will affect the property. The photographs will be a minimum 4" x 6" and no larger than 8" x 10", and will be clearly labeled with the following information:
 - a. Name of property;
 - b. Location (county, city, state, and street address);
 - c. Name of photographer;
 - d. Date of photograph
 - e. Location of photographic negative;
 - f. Indication of direction camera is pointing; and
 - g. Number of photograph in series
 - B. The document will include photographic reproduction of selected original (as-built) construction plans and historic photographs, if they exist.
 - C. The document will include a preparation of a brief written technical description of the bridge and historical summary.
 - D. All documentation will be edited, catalogued and packaged in a manner acceptable to the Oklahoma SHPO. The Oklahoma SHPO will be the repository for the documentation.
 - E. Tulsa County will provide all research documentation, research materials, copies of photographs, and HAER documentation of the bridge to the Oklahoma SHPO and the USACE within three years of the execution of this MOA.
- II. **Duration.** This MOA will be null and void if its stipulations are not carried out before March of 2024. At such time, and prior to work continuing on the undertaking, USACE shall either (a) execute a MOA pursuant to 36 CFR § 800.6, or (b) request, take into account, and respond

USACE, TULSA COUNTY, SHPO MOA

E. 201st STREET BRIDGE OVER SNAKE CREEK, SWT-2019-00384

to the comments of the ACHP under 36 CFR § 800.7. Prior to such time, USACE may consult with signatories to reconsider the terms of the MOA and amend it in accordance with Stipulation VII below. USACE shall notify signatories as to the course of action it will pursue.

- III. **Post-Review Discoveries.** If potential historic properties are discovered or unanticipated effects on historic properties found, Tulsa County shall comply with 33 CFR Part 325 (11) Appendix C. Consultation will be completed in accordance with USACE current procedures for addressing the requirements of Section 106 and 36 CFR § 800.13.
- IV. **Dispute Resolution.** Should any signatory party to this MOA object at any time to any actions proposed or the manner in which the terms of this MOA are implemented, USACE shall consult with such party to resolve the objection. If USACE determines that such objection cannot be resolved, USACE will:
 - A. Forward all documentation relevant to the dispute, including USACE's proposed resolution, to the ACHP. The ACHP shall provide USACE with its advice on the resolution of the objection within thirty (30) days of receiving adequate documentation. Prior to reaching a final decision on the dispute, USACE shall prepare a written response that takes into account any timely advice or comments regarding the dispute from the ACHP, signatories and concurring parties, and provide them with a copy of this written response. USACE will then proceed according to its final decision.
 - B. If the ACHP does not provide its advice regarding the dispute within the thirty (30) day time period, USACE may make a final decision on the dispute and proceed accordingly. Prior to reaching such a final decision, USACE shall prepare a written response that takes into account any timely comments regarding the dispute from the signatories and concurring parties to the MOA, and provide them and the ACHP with a copy of such written response.
 - C. USACE's responsibility to carry out all other actions subject to the terms of this MOA that are not the subject of the dispute remain unchanged.
- V. **Amendments.** This MOA may be amended when such an amendment is agreed to in writing by all signatories. The amendment will be effective on the date a copy signed by all of the signatories is filed with the ACHP.
- VI. **Termination.** If any signatory to this MOA determines that its terms will not or cannot be carried out, that party shall immediately consult with the other parties to attempt to develop an amendment per Stipulation V, above. If within thirty (30) days (or another time period agreed to by all signatories) an amendment cannot be reached, any signatory may terminate the MOA upon written notification to the other signatories.

Once the MOA is terminated, and prior to work continuing on the undertaking, USACE shall execute the requirements set forth in 33 CFR Part 325(9)(a).

Execution of this MOA by USACE, SHPO, and Tulsa County and implementation of its terms evidence that USACE has taken into account the effects of this undertaking on historic properties and afforded the ACHP an opportunity to comment.
